

## WSBN PREAMBLE

Calling the Wisconsin Sideband net. This net meets daily on 3985 kHz at 5pm local time for the purpose of handling traffic into, out of and within the State of Wisconsin.

Your net control for today's session is \_\_ (call) \_\_\_\_, My name is \_\_\_\_\_ and I am located in \_\_\_\_\_.

Stations with emergency or priority traffic may break the net at any time. This net is part of the National Traffic System and the Wisconsin Nets Association Limited. Stations wishing to become a member of this net may contact the Net Control or Net manager, AG9G, for details.

When checking into the net with traffic, please say the word traffic do not list your traffic until you are acknowledged by net control.

Mobile or portable stations wishing to check into the Wisconsin Sideband Net please call \_\_\_\_\_. Any relays?

Is there a station going to early WIN? Call \_\_\_\_\_.

Stations with formal written traffic for the Wisconsin Sideband Net call \_\_\_\_\_. We will now open the Net to all stations with or without traffic and all stations are most welcome to join us. Please give my call, listen, and then give your call to avoid doubling.

We are listing traffic for \_\_\_\_\_. Please call \_\_\_\_\_.

(Take check-ins after every four or five second-goes.)

This concludes this session of the Wisconsin Sideband Net. This is your net control thanking everyone for checking in and remind you to check in often. This is \_\_\_\_\_ closing this session of the Wisconsin Sideband Net and returning the frequency to amateur use. 73 and \_\_\_\_\_ is clear.
